

**Are Committed to Safety**

Visitor

come to this Sulzer site. We are committed  
eping your visit safe. For this reason, we would  
o inform you about guidelines for visitors  
behavior in emergencies. We are convinced that  
ants are preventable.

ie read this guide thoroughly. Your Sulzer host  
nswer any questions.

1 you a pleasant and safe visit to our site.

; Stahlmann, CEO

**Emergency Numbers**

Who? What? Where?

What kind of help is needed?

When an alarm is raised please proceed immediately to  
the next assembly point. In emergencies, call the internal  
number 0 (reception, during business hours).

**9-999**
